

**DESCRIPTION**

The CONTRACTOR shall alter elevations of existing valve boxes for individual services at locations shown on the plans, in the proposal or as ordered by the CONSULTANT.

**MATERIALS**

Not specified.

**CONSTRUCTION DETAILS**

The CONTRACTOR shall adjust existing valve boxes to the elevation of the finished grade.

The CONTRACTOR's attention is directed to the fact that all water valve boxes not noted on the contract documents but encountered during construction shall also be raised to the finished grade.

**METHOD OF MEASUREMENT**

The quantity to be measured under this item shall be the number of valve boxes actually altered.

**BASIS OF PAYMENT**

The unit price bid for each alteration shall include the cost of furnishing all labor, materials and equipment necessary to satisfactorily complete the work.

Payment will be made under:
